

1. Hotel Phone supports POE supply.

After connecting phone to POE switch, the status light will flash.

## 2. Device IP Address.

If connect to POE Switch with DHCP, hold press the '#' key for 3s, it will report the IP.

Without DHCP, unable to get a IP. Dialing this code, '#\*100', to switch to static IP. The static IP: 192.168.1.128.

## 3. Enter the IP on the browser (recommend Google Chrome)

Both default username and password are admin
